

CHAMPIONING CHANGE FOR RURAL HEALTH

Addressing the Rural Physician Shortage

**Rural
communities
need you.**

The shortage of physicians is affecting health outcomes across Canada—especially in rural, remote, and Indigenous regions.

HOW YOU CAN HELP

Raise Awareness:
Share the stories of rural communities in need.

Advocate for Change:
Support a national strategy for rural healthcare.

Get Involved:
Equip yourself with the tools to make a difference.

TAKE ACTION TODAY

Build a healthier future for rural Canada
